Cakes & Caterers

If you would like to order your wedding cake from one of our fine bakers, be sure to contact the restaurant or bakery 1 to 3 months before your wedding. This advice goes for selecting meals as well. With this lead time, you will be able to carefully consider your choices and, if fresh seafood is in your menu plans, you will be able to take advantage of what's in season.

Local restaurants and caterers can arrange your perfect meal, from a special formal dinner to a catered event at the location of your choice. You can even arrange to have a cream can dinner at sunset on the beach and be delivered there by horse and carriage!

A Unique Setting

If you are planning to be married in a vessel at sea or thinking of reserving a lighthouse for your wedding, please make reservations as much as 9 months ahead, particularly for events during the summer season. Nearly all 28 miles of the Peninsula's sandy beach are also available for your ceremony. If you are planning a wedding on the boardwalk or in front of it, notify Long Beach City Hall: 360.642.4421. Marriage License

Pacific County is one of the easiest counties in which to be married. If you are a resident of the State of Washington, you need only obtain a certificate somewhere in the state. If you live elsewhere, there is a 3-day waiting period from the time you apply here for your license until the license is actually valid. No birth certificates, blood tests, witnesses or proof of divorce is necessary in order to apply for your license.

South Pacific County Auditor's Office
7013 Sandridge Rd. Long Beach
360.642.9312

* Open Monday-Friday 9AM-4PM
(Closed 12-1PM)

Fee: \$49.00

* Both parties must be at least 18 (parental consent required if 17 or under)

* Washington State does not require birth certificates, blood tests, witnesses or divorce papers (divorce must be final and filed)

* There is a 3-day waiting period before the marriage license becomes valid

* The license is valid for 60 days
